**W Executive Suites Launches Second Phase of New Offices in St. Lucie West
Offers State-Of-The-Art Executive Offices to Florida Businesses**

Leading commercial real estate development firm unveils 31 new professional offices as part of its second phase in St. Lucie West to help build the business community.

Port St. Lucie, FL – July 30, 2019, [W Executive Suites, LLC](#), a leader in commercial executive office space, today announced that the company has opened its second phase of brand new executive offices on the Treasure Coast at 1860 SW Fountainview Blvd, Suite 100 in Port St. Lucie, Florida. The first phase consisted of 27 professional offices and multiple conference rooms with excellent amenities that opened its doors in December 2018. With this new expansion, W Executive Suites is now offering an additional 31 fully furnished offices; bringing the number of offices at this location to 58 in total.

W Executive Suites offers turnkey Class A office space that not only comes fully furnished, but includes dedicated receptionists/ phone number, and an official business mailing address inclusive of all utilities and janitorial. They specialize in streamlining the process of setting up a new office. Business owners can reap the benefits of having an office right out of the box with options that includes virtual packages and/or full-time conventional office agreements. Another huge benefit is that the building comes with no deed restrictions; making it the right fit for real estate and financial related companies.

“We are excited to bring this type of professional office space to the St. Lucie West area and keep our business community going strong,” states Jamie Willard, VP of Operations at W Executive Suites. *“Our goal is to exceed our customers’ expectations with exceptional service and support to help drive their business growth.”*

W Executive Suites is also offering a Labor Day promotion of \$500 off your first month’s rent if you sign on an office starting August 1st through Labor Day Weekend. See why businesses throughout Florida are choosing W Executive Suites for all their business needs. For further information, visit www.wexecutivesuites.com.
